IEBSA TECHNOLOGY NINGBO CO.,LTD

bright side asia

IEBSA Group was founded in 2013, is the national hig-tech enterprises and a joint venture in Taiwan, America, Mexico and China, Located in Ningbo. IEBSA is a factory for Industrial &Public Lighting, providing services on designing, has been focused on PLEP chips and PCI heat sink technology, set up a PLEP Chip On Copper Board tech oriented R&D center, has a R&D team led by experts in the field of heat transfer technology.

All the products are UL/CUL/IEC/CE/RoHs/LM-80 certified

Partenrs

Linear Industrial Light

BSA bright side asia

BENEFITS

- **Intelligent working:** On/Off Function, Normal Motion detecting, Daylight Threshold.

- Metal Chain, Bracket installation

- Self-Cleaning,Non-dusk

- Excellent Heat Dissipation, Leave outlet, though the air circulation in the radiator to speed up the heat

- High Luminous 135-150Lm/w

- UL,CUL,CE,RoHs,IEC certificates

5&7 YEARS WARRANTY

IEC · CE · PSE · CQC · LM-80 · cULus

ON/OFF function · Normal motion detecting · Daylight threshold

Technical Parameter							
Model	Power	Input Voltage	Power Factor	Light Efficiency	CCT	CRI	Dimension (mm)
BSA-LH-DCT0050-201	50W	AC90-305Vac 50/60Hz	≥0.95	6750LM	2700-6500K	≥75	300*139.8*11.5
BSA-LH-DCT0100-201	100W			13500LM			600*139.8*11.5

Panel Industrial Light

BENEFITS

- **Intelligent working:** On/Off Function, Normal Motion detecting, Daylight Threshold.

- Metal Chain, Bracket installation

- Excellent Heat Dissipation aluminum

- High Luminous 135-150Lm/w

- IP65 Design

- UL,CUL,CE,RoHs,IEC certificates

5&7 YEARS WARRANTY

IEC · cULus · CE · PSE · CQC · LM-80

UFO Industrial Light

BENEFITS

- **Intelligent working:** On/Off Function, Normal Motion detecting, Daylight Threshold

- Aluminum Housing, Excellent Heat Dissipation

- **Non-yellowing Flat Glass**

- High Luminous 145Lm/w

- IP65

- CE,RoHs,IEC certificates

ON/OFF function   Normal motion detecting   Daylight threshold   CE   RoHs

OFO Industrial Light

BENEFITS

- Suitable Harsh Environment, High Temperature application

- Extremely Light Weight

- Non-yellowing, High Borosilicate Glass

- Cold Forging Aluminum Heat Dissipation 1070, High Heat Transfer

- Aluminum Reflector 45º 90º 120º

- Bracket, Hanger installation

- IP65,High Luminous 135-150Lm/w

- UL,CUL,CE,RoHs,IEC certificates

**5&7 YEARS WARRANTY**
